Subject:	Re: Reporty - Sum (E.B.) 2015 - Limited Partnership

Good day, Tomer.

I am working on the project. As a preliminary matter, I would request an english translation of the partnership agreement so I can review and make sure that I have no issues. And I would also like to set up a time on Monday or Tuesday for us to talk to clarify a few points and requests that I have with respect to the proposed agreement. Unfortunately, it appears that my wife will likely be going back into surgery on Monday, so I am not completely sure of the schedule. If you could give a list of times you are available, I will let you know tomorrow night, when I have more info from the surgeon, as to when I will likely be available. Thank you. I look forward to speaking with you.

Regards,

Darren,
Just wanted to add to my email below that the urgency here is also due to the SPA with Reporty - pursuant to which the partnership is required to provide additional investment amount of $0.5M by the end of January, 2016, assuming the relevant milestone has been achieved (most likely). We should be ready beforehand.

Dear Darren,
We have not hear from you on this matter but I trust that all is well.
We are sorry to urge but at this stage we really need to promote the agreement referenced here.
Your quick response will be highly appreciated.

I am at hospital with my wife (she had cervical/thoracic spine surgery) through End of week. I will review beginning of next week if that is ok.
